📣 Announcements
💬 Blogs
💬 Chat Room

Assignments: Your instructor may have you upload assignments using this tool.

Tests & Quizzes: You may need to complete an assessment using this tool.

Resources: Most instructors will choose to load their materials using this tool. Items should be housed in folders labelled with the week.

Discussion Forums: This tool will be used to post your thoughts on a given topic and/or respond to posts from others.

Messages: Use this tool to send messages to your instructor and/or your classmates.

Announcements: Check this tool for messages your instructor may post to your entire class.
